5-Year Program Overview and Update

### Future funding

Projected Funds Available for Highway Program 2023-2032  
(x 1,000,000)

Proposed Highway Program					Extended Highway Program				
2023	2024	2025	2026	2027	2028	2029	2030	2031	2032
820.9	855.6	856.1	857.9	850.6	850.6	850.6	850.6	850.6	850.6

*Note:* These are very conservative estimates because they do not include any potential discretionary grants and assume status quo funding after the expiration of the infrastructure bill (FY27 and beyond)

5-Year Program Overview and Update

### Questions?

**M.J. "Charlie" Purcell, P.E.**  
Deputy Director, Transportation Development Division  
Iowa Department of Transportation
