ANNUAL MEMBERSHIP DUES INFORMATION*May be paid Quarterly*

The budget for the fiscal year, beginning July 1, is based upon prompt payment of dues by the end of the first quarter. Dues not paid by December 15 are considered delinquent and the firm will be dropped from the membership roster. However, arrangements to make partial payments without loss of membership may be made with the approval of the Treasurer.

All new member applicants are required to pay at minimum a prorated quarter of annual dues upon approval of membership. Thereafter, dues may be paid in full annually, or in four equal quarterly payments on the schedule below.

First Quarter: July 1 – September 30

Third Quarter: January 1 – March 31

Second Quarter: October 1 – December 31

Fourth Quarter: April 1 – June 30

Membership dues are calculated upon the number of the firm’s employees, as described and declared on Page 1.

For national ACEC membership:

Parent Firm: Dues are based on all personnel in the home office, branch offices and subsidiaries, internationally.

Branch Office: If the parent firm is not an ACEC member, dues are based upon all personnel in the branch office.

For ACEC/Iowa membership: Dues are based upon all personnel in Iowa offices.

Contributions or gifts to the American Council of Engineering Companies (ACEC) and the American Council of Engineering Companies of Iowa (ACEC/Iowa) are not tax deductible as charitable contributions for income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed on association lobbying activities.
